Buddhist Studies Centre to be set up in Manasagangothri soon: MP

Mysuru, Aug. 14 (GA&DM)- Assuring that an exclusive Buddhist Studies Centre will be established in Manasagangothri campus soon, Chamarajanagar MP V. Sreenivasa Prasad said that he has also appealed the PM in this regard. He was speaking after inaugurating 'Buddha Beladingalu' programme organised by the city's Dhammadeepa Pratishtana Charitable Trust marking its 7th anniversary at Manasagangothri's Goutham Buddha Park here on Friday.

Maintaining that of late, people from across the globe are eager to have Buddha idols in their homes because of Buddha's ideals and thoughts, Sreenivasa Prasad, who is also a former Union Minister, said that Buddha is very much relevant even today. Pointing out that he discussed the Buddha Studies Centre issue with Chief Minister Bommai during his visit to Delhi recently, he said that currently, the Studies Centre is functioning from Dr. B.R. Ambedkar Studies & Research Centre in Manasagangothri.

Stating that the University of Mysore Vice-Chancellor Prof. G. Hemantha Kumar has agreed to provide land for the same, he said that even Prime Minister Modi has assured his co-operation for the setting up of an exclusive Studies Centre. He has given a copy of the memorandum submitted to the PM, to BJP General Secretary B.L. Santosh too, he said adding that he has appealed the PM to release Rs. 10 crore for the Studies Centre.

MLA N. Mahesh, University of Mysore VC Prof. G. Hemantha Kumar, Kollegal Chetavana's Banthe Manorakkitha Swamiji, Bengaluru's AKKA IAS Academy Director Dr. Shivakumar and Trust Founder-President Dr. C.B. Basavaraj were present.

EDITOR'S BOTTOMLINE

New diseases usually do not disappear completely. Chikungunya, dengue and many respiratory viruses usually stay within populations once they enter a population. Twenty-nine months into the pandemic, there is consensus that SARS-CoV-2 will stay with humanity for long, possibly for years and even decades. Cases are being reported from all countries and parts of the world and are likely to be reported in the time ahead. In this situation, it is important to ask how diseases transition from epidemic or pandemic to the endemic state.

We usually go back to history to get such answers. However, in the case of the COVID-19 pandemic, historical references are not very useful. The end points of the pandemics prior to the 18th century were determined retrospectively, when it was relatively easy to conclude a defined year. Then, the infections and cases in three major influenza pandemics in the 20th century (1918-20, 1957 and 1967-68) were identified based on symptoms; laboratory testing was not available for the pandemic in 1918-20 and was very limited in subsequent ones. In fact, in the 1918-20 flu pandemic, even the virus was not identified (it was first identified in 1933). If those clinical criteria of yesteryears are applied in ongoing COVID-19 cases which are now either mild and/or asymptomatic (thanks to vaccination and natural infection), one can conclude that the COVID-19 epidemic is over in many countries.

Chefs assemble 242.7-foot torta sandwich

Mexico: Chefs at a Mexico City fair assembled a 242.7-foot-long torta sandwich, breaking a local record and potentially creating a new world record. The 17th annual Torta Fair in the Venustiano Carranza district saw representatives of various sandwich businesses teaming up to assemble the sandwich in just 2 minutes and 9 seconds.

Venustiano Carranza Mayor Evelyn Parra said the 242.7-foot sandwich was a New Mexico City record. The massive meal is also believed to be the world's longest torta sandwich. The longest sandwich in the world measured 2,411 feet and 5 inches. Portions of the torta were sold to attendees at the fair. The sandwich fillings included traditional meats such as pork, beef and chicken, but some portions also included exotic meats including ostrich, crocodile and buffalo.

Cat drinks water from water cooler

Bristol: Internet is full of strange as well as surprising content. A video shared by Buitengebieden on Twitter with a caption reads 'Stay hydrated' is gaining traction on the social media that shows a cat drinking water from a water cooler.

The feline stands next to a water cooler at the beginning of the video and attempts to get water to come out of it. It further uplifts the tab and drinks water gracefully.

The video has amassed over 7.9 million views and more than 2.6 lakh likes on Twitter. More than 38,000 users re-tweeted the post. "Animals are highly intelligent, so adorable," a user wrote while replying to the tweet. Another said, "This is a perfect example of observational learning that cats are champions of! (So are primates and octopuses)."

Recently, a video of a monkey giving emotional support to a man went viral on the internet. The widely shared video demonstrated the emotional similarities between human beings and other animals.

Musical evening tomorrow

Mysuru, Aug. 14 (SSM)- Marking *Azadi Ka Amrit Mahotsav* celebrations, Bhoomika Associates and Late Mike Chandru Geleyara Balaga have jointly organised a musical evening of patriotic songs and Kannada and Hindi film songs tomorrow (Aug. 15).

Announcing this at a press meet held at Pathrakartara Bhavan here on Thursday, Programme Director Drummer Dr. C.R. Raghavendra Prasad said that the programme will be held from 5.30 pm at Sarada Vilas College Centenary Hall in Krishnamurthypuram.

The musical evening will also feature a comedy show by Mysuru Anand. There will be no entry fee. Singers Dr. A.D. Srinivas, Vid. Vishwanath, Ramachandra, Raghavendra Rathnakar, Srikara, Hamsini Kumar and Divya will sing various songs.

Bird-watching at Karanji Lake

Mysuru, Aug. 14 (SSM)- A two-day bird-watching programme was organised by Wild Life Conservation Foundation at Karanji Lake in city recently.

Over 80 students from Adarsha Schools (Adarsha Vidyalayas) participated in the programme where D. Rajkumar, Anil Kumar Pradeep and Mark Steve were the resource persons who explained about varieties of bird species, its food habits, habitation, its importance and created awareness about environmental conservation and importance of bird-watching activity.

School Head Master Satish, teachers Divya, M.G. Prabha, R. Lakshmi, Nishanth Anjum and S. Savitri were present during the programme.

Mahatma's message matters in Mysuru

Over 30 statues in city and Mysore Varsity campus spread message of peace, non-violence

By M.T. Yogesh Kumar

Mysuru, Aug. 14- If statues could record the goings-on before them, many statues of the Father of the Nation in Mysuru city and in the campus of the University of Mysore (UoM) would be among the most valuable repositories of contemporary history. The statues preach peace and non-violence as advocated by Mohandas Karamchand Gandhi, one of the most famous civil rights leaders in history.

With India all set to celebrate the 75th year of Independence, the statues and busts of Mahatma Gandhi in Mysuru have become a point of discussion and at the same time, a point to ponder.

Mysuru has the credit of giving many freedom fighters. This apart, the erstwhile Maharajas too supported the freedom movement to the hilt, thus making Mysuru an important part of the freedom struggle. Against this backdrop, the statues or busts of Mahatma Gandhi came up in many places across the city.

The Gandhi Bhavan premises in Manasagangothri has as many as 27 statues and busts of Mahatma Gandhi, which are made of cement and vary in size from each other. These stand as a testimony to sacrifice and non-violence.

Statue of Mahatma Gandhi spinning the Charaka at Manasagangothri.

Sculpture-making camp

Marking Gandhiji's 150th birth anniversary, the Kannada and Culture Department, in association with Karnataka Shilpakala Academy, Rangayana and Centre for Gandhian Studies, organised a fortnight-long Gandhi sculpture-making camp from Oct. 22, 2018 to Nov. 5, 2008, at Gandhi Bhavan.

A total of 35 artists, including 19 senior and 16 junior artists took part in the camp and created 27 statues/busts of different sizes and postures of the Mahatma, which were later articulately arranged at Gandhi Bhavan.

All the 27 statues are different from one another in characteristics and posture and the 11 ft. high statue of the Mahatma, said to be the world's tallest, is installed at Gandhi Bhavan. The Mahatma standing holding a stick, working on a Charaka, in meditation mode etc., are some of the statue postures that can be seen at Gandhi Bhavan, where one finds Gandhiji working on a *Charaka* (spinning wheel) soon upon entering it.

His last moments captured

One of the statues has captured the last moments of the Mahatma as he walks with his eldest daughter-in-law Manuben on his left and Abha Chatterjee, the adopted daughter, to his right, before he was shot dead. The statues also feature the Mahatma sitting along with his wife Kasturba.Gandhi Bhavan also has a statue of the Mahatma, holding a stick, walking with his grandson Kanu R. Gandhi, Gandhiji sitting with Rabindranath Tagore listening to the book read out by him (Tagore), Kanu Gandhi helping his grandfather as he tries to get up and Gandhi walking in the Sadbhavana Yatra, among many other postures.

One can find a series of Mahatma's sculptures on entering the University of Mysore campus and the one on Dandi Satyagraha draws the special attention of walkers.

The then Chief Minister B.D. Jatti laid the foundation stone for Gandhi Bhavan at Manasagangothri on Oct. 13, 1960. Later, the Alumni Association of the University of Mysore installed the plaque highlighting the dreams of the Mahatma, on Jan. 31, 1965, when the first statue of the Mahatma too was installed at the site.

In the heart of Mysuru

One finds the Mahatma standing tall at Gandhi Square in the heart of the city, which is symbolic of Gandhiji's tryst with non-violence, which he propagated all through his life. Gandhi Square is witness to thousands of movements, protests, demonstrations and the likes. The decades-old statue got a new look three years ago when the square underwent a facelift as a whole.

Mahatma Gandhi's bust right in front of the City Law Courts Complex is a symbol of the Goddess of Justice. This bust too stands as a testimony to the innumerable demonstrations.

Bharatiya Vidya Bhavan (BVB), Mysuru Kendra, in Vijayanagar I Stage too has a Gandhiji's bust, to which floral tributes are offered before the start of any programme.

Besides the above, a replica of 'Gyarah Murti' monument, located in New Delhi to commemorate India's freedom struggle under the leadership of Mahatma Gandhi, adorns the Freedom Fighters Memorial Park at Subbarayanakere in city. There is also a bust of Gandhiji and another statue of revolutionary freedom fighters like Bhagat Singh, Shivaram Rajguru and Sukhdev Thapar in the Park.

Synthetic cloth National Flag

Sir,

It is very disheartening to note the quality of non-Khadi, synthetic cloth Nation Flag, freely distributed by the Government agencies. The flags are very badly stitched and the skewed Ashoka Chakra appearing off-centre.

The Government agencies should not disrespect our National Flag by distributing such flags.

27 warring couples reunite at Lok Adalat

Mysuru, Aug 14 (SBD&DM)- As many as 27 warring couples from Mysuru city and district who had filed divorce suits, got re-united on Saturday by setting aside their differences, at the Lok Adalat, which took place in City and other Courts of the district yesterday.

The estranged couples exchanged sweets and flower bouquets upon their reunion.

Principal District and Sessions Court Judge M.L. Raghunath, who spoke after the Lok Adalat, said that the 27 couples have agreed to lead a new life by forgetting their past bitterness, after getting re-united at the Lok Adalat.

Maintaining that 18,705 cases out of 33,551 cases have been settled, Judge Raghunath said that 38,843 pre-litigation cases too were settled amicably.

Referring to Traffic violation cases, he said that 31, 964 traffic violation cases were disposed off by collecting a total fine of Rs.1.76 crore from the offenders.

Pointing out that the Lok Adalat has ordered payment of a total compensation of Rs.42.38 crore in respect of cases that came up before the Lok Adalat, Raghunath said that there are 1,15, 893 cases pending at the city and taluk courts, out of which 50,811 cases are identified as compoundable cases. Out of this, 33, 551 cases were taken up and disposed off at Saturday's Lok Adalat, he added.

Youths aged above 17 years can apply for Voter ID card

Mysuru, Aug. 14- In yet another initiative for the benefit of voters, the Election Commission has allowed 17 year olds to seek Voter ID card. But they will be enrolled in the voters' list only after completing 18 years of age, according to Additional DC Dr. B.S. Manjunathaswamy, who presided over a meeting at the DC office here recently.

Stressing on the need for all voters to link their Voter ID card with Aadhaar card, Manjunathaswamy said that the voters can enroll till Mar. 31, 2023. The voters can link their voter ID online or offline, he said adding that voters can use the NVSP and VHA app for online linking.

Leaders from all the political parties attended the meeting.

Lokayukta gets *Punarjanma:* What next?

Basavaraj Bommai
Chief Minister

Siddharamaiah
Former Chief Minister

Justice Santosh Hegde
Former Lokayukta

AYN RAND DID WARN US IN 1957!: "When you see that in order to produce, you need to obtain permission from men who produce nothing - When you see that money is flowing to those who deal, not in goods, but in favours - When you see that men get richer by graft and by pull than by work, and your laws don't protect you against them, but protect them against you - When you see corruption being rewarded and honesty becoming a self-sacrifice - You may know that your society is doomed."

— Ayn Rand, Atlas Shrugged, 1957

Winston Churchill was asked what qualities a politician required. Churchill replied, 'The **ability to foretell** what is going to happen tomorrow, next week, next month and next year. And to have the ability **afterwards to explain** why it did not happen.'

I remembered these prophetic and axiomatic words of one of world's greatest Generals and Politicians **Winston Churchill** when I read a report in *Deccan Herald* yesterday under the headline, ***"Govt. to follow High Court order on ACB."***

We know that the Karnataka High Court had passed a path-breaking judgement on Thursday when it ordered abolition of the Anti-Corruption Bureau (ACB) and strengthening of the Lokayukta to fight corruption in the State.

The High Court order is as clear as a bright sunny day, without any ambiguity or grey area, delivered in a language that is crystal clear for anyone who understands the language. The order also answers questions that might arise in the minds of politicians and bureaucrats who are, understandably, reluctant to go back to Lokayukta.

The High Court says, according to report published in *The Times of India* on Friday, that all investigations and inquiries conducted by ACB have been **saved** and ACB's pending investigations and inquiries have been **transferred** to Lokayukta Police. Is there any ambiguity in this order?

Surprisingly and again understandably, this Government is indecisive on how the Court's order should be implemented. Come on. I suggest, take the advice of **former Lokayukta Justice N. Santosh Hegde** (who was also former Supreme Court Judge). He should know. His reaction to the judgement was appreciation saying that now the Lokayukta is strengthened, the corrupt are under fear. Which is why the BJP Government is indecisive.

It was Congress Government headed by Siddharamaiah as Chief Minister that killed Lokayukta and gave birth to ACB under a notification on March 14, 2016. Intention was clearly malafide. Even the High Court observed that ACB was created to scuttle probes against politicians.

This was challenged in the High Court by a PIL filed by the Advocates' Association of Bangalore, Samaj Parivartana Samudaya and others.

And now the judgement has been pronounced, rather delayed. But does not matter, as the saying goes, the wheels of the Government, in this case the Court, may move slowly but they grind well.

Curiously, the BJP's election manifesto of 2018 had said that if it came to power it would abolish the ACB and the Lokayukta would be revived and continued. What happened? BJP got a very good excuse: Chief Minister Basavaraj Bommai said that since the matter was in Court "we could not take the decision."

Really? He also said that he would now abide by the BJP's election manifesto but added a caveat — "However, we need to study the entire text of the judgement before implementing it." Well, by that time it would be time for next Assembly election 2023. So, so, so....?

And what does the Law Minister J.C. Madhuswamy say? The Government is still undecided on appealing the High Court's decision. Does it mean, going in appeal is also an option the Government is contemplating to scuttle probes against politicians and the bureaucrats?

Surely, these BJP politicians are exhibiting the qualities of politicians according to Winston Churchill that I mentioned at the beginning — Having given the promise to abolish ACB in its 2018 election manifesto, now "afterwards" it is trying to explain why it did not happen and further why it might be difficult to make it happen. Alleluia!

Dengue cases on the rise in city

Mysuru, Aug. 14 (MK&KS)- Along with COVID-19 cases, which are increasing silently, people with symptoms of cold, cough, fever, body pain, headache has also increased. With weather fluctuating, children, senior citizens and others have fallen ill resulting them thronging both Government and Private Hospitals to avail treatment.

Though cold, cough and fever is common in the months of June, July and August, the number of people falling sick has increased. On an average, 300-400 people are rushing to hospitals daily with the above symptoms. Also, people are thronging medical stores to purchase medicines for the infections.

In July, 3,620 people have visited K.R. Hospital as Out Patients and a majority of them have availed treatment for cold, cough, fever etc. Private hospitals and even Primary Health Centres (PHCs) saw a large number of people availing treatment for the same.

Dengue Fever: A majority of senior citizens and children are suffering from dengue fever and from January till date, more than 450 people (majority of them children) are seen with dengue in the district. Also, more than 50 persons are seen with symptoms of chikungunya and H1N1, said District Malaria Officer Dr. Chidambara.

Continuous rains, cold breeze and cloudy weather will increase the mosquito population and mainly rain water remaining stagnant is playing a perfect host for dengue spreading mosquitoes to breed.

Mosquitoes will decrease only if the sun comes up and shines brightly. About 80 percent of information pertaining to those who underwent blood tests for dengue in both Government and private hospitals will be available soon and in the last seven months 2,389 people have underwent blood tests for dengue, Dr. Chidambara said.

The officer said that there are chances of cold, cough and fever spreading to the entire family members if one member suffers.

If 10 persons with cold, cough and fever are subjected to COVID tests, there are chances of at least one or two of them testing positive for COVID. The symptoms of COVID and H1N1 are almost the same and timely treatment and taking precautionary steps is very important.

Wearing face mask and maintaining social distancing is important: Normal treatment is being given to those suffering from cold, cough and fever, along with the treatment, those with the above symptoms should wear face mast and maintain social distancing, which is very important.

Cold items should not be used during this time. If one kid in the class falls sick, it is advisable to give the kid holiday for three to four days as this would prevent the infection from spreading to the entire class, said K.R. Hospital's Department of Medicine Professor Dr. Lakshmegowda.

When White Blood Cells (WBCs) in the blood decreases, fever increases and if fever persists for more than a week, it is advisable to consult a physician immediately and get the blood tested for dengue, Dr. Lakshmegowda said.

People with symptoms of cold, cough and fever, coming to hospitals has increased since two months. Hence everyone should be careful and take precautionary steps, he added.

It is best to consume hot food. Do not use food kept in refrigerators and stay away from ice creams for a few days, the doctor suggested.

Precautions to be taken: Keep the surrounding of houses clean; Do not allow water to get stagnant; Remove water after defrosting refrigerators; Use mosquito repellents and mosquito nets to keep away mosquitoes; Once a week, empty and scrub, turn over, cover, or throw out items that hold water, such as tires, buckets, planters, toys, pools, birdbaths, flowerpots, or trash containers as these help in breeding of mosquitoes; Try to wear clothes that don't leave any skin areas exposed; The mosquitoes that carry the dengue viruses are most active from dawn to dusk; keep windows and doors closed during theses hours; Wear long-sleeves and long pants to cover your arms and legs; If you have a cooler at home, make sure you clean it regularly; Keep the dustbins clean; do not let any dirt get collected to avoid mosquitoes; Mosquitoes tend to lurk in dark areas (closets, behind curtains, under beds). Ensure that toddlers and infants are clear of such areas. Ensure good lighting in your home.

YAI Multi-Class Youth Sailing and Kiteboard Championship

Event concludes on a grand note at KRS Dam

Srirangapatna, Aug. 14 (Vinay Karekura&BCT)- The Yachting Association of India (YAI) Multi-Class Youth Sailing and Kiteboard Championship concluded at the Krishna Raja Sagar (KRS) Dam last evening.

The event was jointly conducted by the Mandya District Administration in association with the Madras Engineering Group (MEG) and Centre of the Indian Army and General Thimayya National Academy of Adventure (GETHNAA).

YAI Secretary Capt. Jitendra Dixit said that sailing is one of the fastest-growing sports in India and it is a good sport that tests the endurance, skills and mental and physical strength of a participant simultaneously. He called upon participants to compete in national and international events and display their skills.

Appreciating the participation of young children and youths in the event, he said that these youths hold a bright future in the next-level competitions. He also commended the sailing activity in the KRS Dam as it provides an ideal place for sailing with the best weather, wind speed and also clean surroundings.

Later, prizes were distributed to the winners under 12 categories. Brigadier Shalabh Gupta, Commandant, MEG and Centre, Mandya SP N. Yatish and Assistant Commissioner Shivananda Murthy, Maj. Gen. (retd.) Devaya of Yachting Association of Karnataka, Major Girijesh of MEG&Centre, Manjunath of GETHNAA, event manager Col. Eashwar Reddy, sailing trainer Sub. Shivu and others were present.

Training for Dasara jumbos begins

Nine Dasara elephants led by Howdah Elephant Abhimanyu walk on *Jumboo Savari* route after two years

Mysuru, Aug. 14 (MTY&KS)- The training for the first batch of nine Dasara elephants on the Dasara procession route began this morning with Howdah Elephant Abhimanyu leading the team. The elephants walked majestically on the *Jumboo Savari* route after a gap of two years as training during the previous two years were held inside the Mysore Palace premises with limited elephants due to outbreak of COVID-19 pandemic.

Before the commencement of the dry training (training without carrying weight) at about 7 am, puja was performed to all nine elephants by Priest S.V. Prahallad Rao near Kodi Someshwara Temple inside the Palace premises.

Captain Abhimanyu then led his team through Balarama Gate and a large crowd had assembled on either side of the procession route to have a glimpse of the forest guests after two years.

The first batch of nine Dasara elephants led by Howdah Elephant Abhimanyu, which arrived in city on July 7, entered Mysore Palace on Aug. 10, where they were given a traditional welcome. The nine elephants underwent weight checking on Aug. 11. Arjuna, who had carried Golden Howdah before Abhimanyu took over, remained the mightiest by weighing 5,725 kg and Abhimanyu, stood fourth by weighing 4,770 kg.

The nine Dasara elephants — comprising Abhimanyu, Bheema, Gopalaswamy, Mahendra, Arjuna, Dhananjaya, Kaveri, Chaitra and Lakshmi — came out of the Balarama Gate of the Palace at about 7.10 am and walked majestically via K.R. Circle, Sayyaji Rao Road, Government Ayurveda Hospital Circle, Old RMC Circle, Bamboo Bazar, Moulana Abul Kalam Circle (Highway Circle) and reached the Torchlight Parade Ground in Bannimantap. The elephants took one hour and 18 minutes to cover a distance of 5 km from Kodi Someshwara Temple inside the Palace to the Torchlight Parade Ground in Bannimantap. The Dasara Jumbos were given two minutes break at Government Ayurveda Hospital Circle and Moulana Abul Kalam Circle. They were led to the Torchlight Parade Ground where they were given rest and fed water. The nine Dasara elephants did not panic when vehicles such as buses and other motor vehicles passed by them.

During the return journey, Bheema led the elephants from the Torchlight Parade Grounds to the Palace. He was followed by Lakshmi, Arjuna, Mahendra and others. Abhimanyu walked last as he had the task of controlling other elephants if they panicked.

Deputy Conservator of Forests (DCF) Dr. V. Karikalan said that dry *talim* (training without weight) began from today and added that the elephants were being observed for their behaviour. Special diet for the Dasara guests will begin from today and the responsibilities for the elephants will be decided in the coming days, the DCF said.

While motorists gave way for the elephants, pedestrians and passersby were seen clicking photographs on their mobile phones besides fruit and flower vendors offering bananas and flowers to the elephants.

Range Forest Officer Santosh Kumar, veterinarian Dr. Mujeeb, Rangaraju, Akram and others were present during the first day of training this morning.

City set for *Azadi Ka Amrit Mahotsav*

(Continued from page 3)

A special laser show by Laser Vision has been arranged between 11.30 pm and 12 midnight. This apart, as part of Partition Horrors Remembrance Day, a photo exhibition is also underway at the venue today by the Department of Information and Public Relations, Mysuru and will go on till 12 midnight.

Parade programme

After the programmes at the Palace till midnight, the formal Independence Day will be celebrated by District Administration at Torchlight Parade Grounds, Bannimantap, tomorrow. District Minister S.T. Somashekar will hoist the National Flag at 9 am. MLA Tanveer Sait will preside.

Mayor (in-Charge) Sunanda Palanetra, MPs Pratap Simha, V. Sreenivasa Prasad and Sumalatha Ambarish will be the chief guests.

Thousands of spectators are expected to throng the Parade Grounds after a gap of two years. All Schools and Colleges have been invited to the event and the Block Education Officers of North and East have been asked to send their children to Bannimantap after the I-Day programmes at their schools.

While spectators can be seated in the seating arrangements at the Parade Grounds, a VIP enclosure with pandals is being set up to accommodate 500 of them. The entire ground premises is being cleaned and earth movers are being used to clear the weeds and level the uneven land.

As part of the celebrations, various cultural programmes will also be held at Kalamandira at 5 pm. MLA L. Nagendra will preside. School and College students, State Government employees and various Associations and organisations will take part.

Dearth of Khadi flags disappoints people

By M.T. Yogesh Kumar

Mysuru, Aug. 14- With just a day to go for the 75th Independence Day, there is a shortage of Khadi flags. Though the demand is increasing by the hour, shops in the city are facing a severe shortage.

Prime Minister Narendra Modi's call to the people to hoist the National Flag in connection with *Azadi Ka Amrit Mahotsav* to mark India's Independence from British rule has generated a lot of enthusiasm but many are disappointed when they couldn't find Khadi flags in the market.

Normally, the National Flags are ubiquitous in the open market a few days before Independence Day and Republic Day. This year happens to be the platinum jubilee of India's Independence and the Union Government has been stressing its observation by one and all.

Many thought they could hoist the flag atop their roofs but Khadi flags are nowhere to be seen, be it at the commercial shops, or the innumerable Khadi outlets in the city.

Though Khadi flags are manufactured at a few places in North Karnataka, there are no such mass weaving or manufacturing units anywhere in South Karnataka, which has severely hampered supplies to districts. Due to the shortfall in supplies, the Government was forced to look at alternatives such as polyester and silk flags.

Limited stocks

In Mysuru, Khadi flags are generally available at Khadi Bhandars on Dhanvantri Road, at Ballal Circle and at Kuvempunagar. With the Khadi flag having its own identity, it has a special demand from all quarters and a shortfall in supplies has dented the aspirations of the people who had wanted to hoist the Khadi tri-colour atop their homes.

Dhanvantri Road Khadi Bhandar (Khadi Vastralaya) Manager B.S. Mallikarjuna said that there are only a small number of flags in stock and they will be sold in no time.

"All these years, only Government offices, schools and colleges, Gram Panchayats used to order for Khadi flags and as such only 250 to 300 Khadi flags used to be sold. But as the country is celebrating the 75th year of independence, there is a huge demand for Khadi flags even from the general public as they want to hoist them atop their homes. With the sudden rise in demand, the Bhandar has sold more than a thousand flags of different sizes," he said.

The flags to Mysuru Khadi Bhandars are being supplied from Garaga in Dharwad district, which is famous for its spinning wheels. Due to COVID, the sale of flags had dropped drastically over the past two years. While flags measuring 2x3 ft. costs Rs. 925, 3x4.5 ft. flag is priced at Rs.1,750 and flags measuring 6x4 ft. is priced at Rs. 2,600, Mallikarjuna said adding that perhaps there would have been a shortfall in supplies if the Government had announced the *Har Ghar Tiranga* campaign a few months ago.

High cost too

But there is resentment among the general public about the high cost of the Khadi flag.

Anand, the owner of Jupiter stores which sells flags, said that flag sales have picked up after a gap of two years. Pointing out that he has been selling polyester flags, he said that sizes range from 1 ft. to 5 ft. and the customers can have the flags of their choice.

Noting that these flags are selling from Rs. 30 to 180, he said that due to the sudden spurt in demand, with the Government announcing the *Har Ghar Tiranga* campaign, the manufacturers are unable to meet the demand in a short span of time.

As such, cheap flags which were used to be sold at Rs. 5 and 10 are hardly available now, which has deeply disappointed the children, who were the main customers of these low-priced flags.

Though some manufacturers have stepped up production to meet the demand, they are woefully short of the target and are able to supply only about 100 flags to a shop every day, Anand said adding that but for the tri-colour, cloth badges, buntings, metal badges, bands, ribbon and other paraphernalia used in the Independence Day celebration are in good supply and there is no shortage of these.

How this circle got Ramaswamy's name

By Dr. A.V. Narasimhamurthy

AVN

It was 1946 and I was studying 8th standard in Hardwicke High School. At that time, over 1,000 students from Sarada Vilas, Banumaiah's and Dalvoy Schools were shouting slogans like 'Bharat Mata ki Jai' and 'Vande Mataram'. They were demanding freedom from the British.

The house of Banavara Ramaswamy Shastry and his wife Lakshimidevamma was like a Poornaiah's Choultry. Anybody who comes to Mysuru used to stay at their home. Since student Ramaswamy was poor, Shastry arranged lunch for him at the houses of his acquaintances.

Student Ramaswamy was yearning to take part in the freedom struggle and was ready to sacrifice his life for this cause. It was one particular day in 1946 and the time was about 11 am. A large gathering of students assembled at Hardwick School shouting "We want Freedom.'

Nagarajaiah was the Deputy Commissioner of Mysuru then. He was informed by the Police about the gathering and their fight for freedom. Riding a horse, the DC came to where the students had assembled. Ramaswamy was holding a flag in his hands and on seeing this, an angry Nagarajaiah shouted at him and asked him to drop the flag.

But Ramaswamy ignored and chanted 'Vande Mataram.' Provoked by the act of a student ignoring his order, the DC Nagarajaiah shot a bullet straight into his chest, even though there was a rule that the bullet should be fired first at the leg. Ramaswamy collapsed on the spot and became a martyr.

Accusing Nagarajaiah of committing a 'Bramha Hatya Dosha,' an unwritten restriction was imposed barring purohits from attending or performing any religious ceremonies at his house. Saddened by this, Nagarajaiah moved out of Mysuru.

About a furlong away from DC Office there was a circle with five lights. It was called Ramaswamy Circle. Ramaswamy thus became immortal.

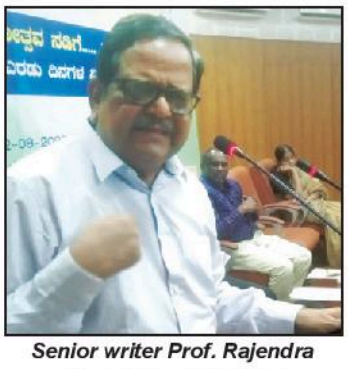
Fake news creation has turned out into an industry: Writer



Senior writer Prof. Rajendra Chenni delivering the valedictory address of the two-day State-level seminar in Manasagangothri yesterday.

Mysuru, Aug. 14 (GA&DM)- Maintaining that creation of fake news has turned out into an industry, senior writer Prof. Rajendra Chenni bemoaned that the civil society is not questioning fake news.

He was delivering the valedictory address of the two-day 'Swatantra Amrutha Mahotsavada Nadige, Prabuddha Bharatada Kadege' State-level seminar organised by University of Mysore's Dr. B.R. Ambedkar Research and Extension Centre at Vishwagnani auditorium in Manasagangothri campus here on Saturday.

Lashing out at the NEP-2020 (National Education Policy) Prof. Channi alleged that it is nothing but a new form of 'Manusmriti'. Arguing that the aspirations of the majority population have not been met even after 75 years of independence, he contended that all the hopes that the country had during the time of independence have been dashed, with the majority population still fighting for their rights.

Prof. T.R. Maruthi in his address, said that those who are speaking about changing the constitution seems to have no idea of any alternatives. It is foolish to talk about changing the Constitution in the absence of ideas, he added.

Centre Director Dr. S. Narendrakumar, faculty Dr. J. Somashekar, Prof. Shabbir Mustafa, Prof. R. Indira and others were present.

Maharaja Trophy KSCA T20 Cricket

Pavan Deshpande & bowlers seal thumping win for Mysore Warriors

Mysuru, Aug. 14- Pavan Deshpande turned up the style, scoring a strokeful half-century for Mysore Warriors, before Aditya Goyal and Shreyas Gopal helped restrict Bengaluru Blasters to 165/8. That saw the Warriors clinch a 6-run win in the Maharaja Trophy KSCA T20 Cricket Tournament at SDNR Wadiyar Stadium yesterday.

Batting first, Mysore Warriors lost skipper Karun Nair for 1, but that hardly set them back as Nihal Ullal and Pavan Deshpande got their act going. A 59-run stand between them gave the Warriors some breathing space before Nihal was gone for 23. Deshpande completed 50 with a six over midwicket in the 12th over. Later, Deshpande was caught ball-watching, and was run out for 55, having hit 7 fours and 2 sixes in his 36-ball knock.

Shubhang Hegde and Shreyas Gopal were tasked with driving the innings along, and they put on 35 runs before the latter was dismissed for 27. S. Shivraj added 13 more as the Warriors hurtled along at good clip. Hegde finished unbeaten on 33, having hit 3 fours during his knock, as the Warriors finished up with 171/6 on the board.

In response, the Blasters had a slow start as L.R. Chethan (4) and Captain Mayank Agarwal (8) were knocked over in the first two overs. K.V. Aneesh and Shivkumar Rakshith then had the task of rebuilding and the duo put on a solid 50-run stand before Shreyas Gopal struck.

Shreyas removed Rakshith for 34 and had J. Suchith trapped LBW first ball, however the hat-trick didn't happen as Aniruddha Joshi was cautious. Aniruddha and Aneesh rebuilt the innings, upping the ante after the 10th over with the target still in sight.

Aneesh looked to get the momentum going with a couple of sixes in the 15th over, but was dismissed soon after for 48, leaving the side with a fair amount to do. Aniruddha (29) and Rishi Bopanna (2) were cleaned up in the 17th over after which Kranthi Kumar departed for 5, as the lower order started to collapse. L.R. Kumar (9*) and Pradeep (11*) saw out the remainder of the innings as the Warriors won at a canter.

Brief Scores — Mysuru Warriors: 171/6 in 20 overs won by 6 runs against **Bengaluru Blasters:** 165/8 in 20 overs.

Hubli beat Shivamogga

Opening batsman Mohammed Taha put in a splendid show, scoring an unbeaten 78 as Hubli Tigers registered a hard-fought 6-wicket win against Shivamogga Strikers yesterday.

Batting first, the Strikers had a horror start, losing four wickets within the first 20 deliveries of the match. Opener B.R. Sharath was gone for 3, Captain K. Gowtham added 4 to the cause before the in-form Rohan Kadam was packed off for 1. Desmond Antony was also dismissed for 1 with score on 9/4, with the Strikers in all sorts of trouble. However, Siddharth dropped anchor in the middle and with Vinay Sagar for company, absorbed some of the pressure. Vinay walked back to the hut for 13 with the score on 26 and half the team in the pavilion. Siddharth was joined by D. Avinash and the duo resurrected the Strikers' innings with a solid stand of 90 runs. Siddharth, who by now was well set, upped the ante in the second half of the innings, but was also watchful. He completed a well-made half-century in the 18th over while Avinash added a healthy 41 to the total.

Siddharth remained unbeaten on 62, having hit six fours and a six as the Strikers posted 133/6.

In response, Hubli Tigers too lost two early wickets, as opener Luvnith Sisodia (0) and Swapnil Yelave (6) were sent back within the first two overs. However, after that Taha and Srinivas Sharath dropped anchor, with the former taking a more aggressive approach than his partner.

A couple of big overs for them helped the Tigers reach 50/2 at the end of the powerplay, after which the duo kept chipping away, adding another 29 runs in the next 5 overs, by which time Taha had got his 50 as well.

Sharath then departed for 41, after which Abhimanyu Mithun was packed off for a first-ball duck. However, Taha's brilliant knock was enough to see the Tigers through, as he finished unbeaten on 78 with the team picking up a comfortable win.

Brief Scores — Shivamogga Strikers: 133/6 in 20 overs lost by 6 wickets against **Hubli Tigers:** 134/4 in 17.2 overs.
